RECYCLED POLYESTER PERFORMANCE POLO

Crafted from soft, durable 100% recycled polyester, this contemporary fit polo shirt excels in comfort and breathability. Built-in moisture-wicking technology helps prevent a build-up of sweat on the skin, ensuring a lasting cool and dry feel, all day long. Featuring PRINTGUARD technology that utilises cationic dye, this polo protects your prints from dye migration, – colours remain bright, with a reduced risk of fading, ensuring your uniform remains sharp. It's the perfect choice for workwear, particularly for jobs that require frequent washing and physical demands.

**NO RISK OF
DYE MIGRATION**

A printer's dream

**PRINTS REMAIN
SHARP AND VIBRANT**

This is due to high dye transfer
and no bleeding

**MORE RESISTANT
TO FADING**

Both in sunlight and
during washing
