

We are serious about our sustainable mission and want to prove that we are transparent and trustworthy through partners who promote the highest standards in the industry.

We want our hats to be on people's heads for as long as possible since high-quality headwear has a longer life cycle.

Through collaborations with international standards and associations, we want to give consumers the certainty that the products they buy have been accredited by a third party. This means that our products are made responsibly and that we work with all partners in our supply chain to adhere to strict environmental and social standards.
