# CERTIFICATIONS & MEMBERSHIPS

## Global Organic Textile Standard – GOTS

GOTS ensures that everyone in our supply chain, from farmer to factory, honours organic practices. Also auditing for both social & environmental standards, GOTS gives full confidence in where our garments come from.

## Organic Content Standard – OCS

Labelling a garment OCS 100 shows that it's 100% organic cotton. OCS Blended means that whilst there are other fibres like rPET in the fabric, the cotton used is certified organic.

## OEKO-TEX®

OEKO-TEX 100 certification guarantees that there are no harmful substances hiding in our garments. We hold Product class 1, tested as safe for babies.

## Recycled Content Standard – RCS

RCS verifies that all recycled content is the real deal, only coming from legitimate sources.

## canopy Canopy

We don't use much viscose, but when we do, Canopy helps assure us that it's sourced from responsibly managed forests, not endangered woodland.

## PETA Approved Vegan

PETA approved status means that there are no animal products used at any point in the manufacturing of our clothes.

## The Love Stock Pledge

We have pledged never to destroy unwanted stock. All useable returned or surplus stock will be donated, re-sold or recirculated.

## Science Based Target Initiative

The SBTi is a partnership between multiple vital organisations including the WWF and the UN. It seeks to drive ambitious climate action in the private sector. We have committed to reducing our scope 1 and 2 emissions by 50% by 2030. We're thrilled this target has been approved and validated by the SBTi.

## Textile Exchange

We have been members of Textile Exchange for over 15 years. Promoting sustainable and ethical manufacturing processes, TE also brings the industry together setting benchmarks & standards for everyone to work towards.

**Certified B Corporation**

Corporation
