

ABOUT US

Since the beginning, we’ve broken through barriers to evolve and innovate.

The Flexfit® story is full of breakthroughs because we’ve been toppling technical and functional limitations since day one. Today’s diverse collection of caps is the result of a decades-long pursuit of greatness — because in our long history, we’ve never once rested or accepted the status-quo. That’s why our caps are the number one choice for innovators, experts, top-level athletes, and hard-working professionals all over the world. We believe that mindful design and quality construction are the cornerstones of performance in the field and style on the streets. Our success has always been connected to the visionaries that express themselves through our caps. That’s why we’re continuing to offer a diverse range of services to accommodate ideas and styles for any application.
