# CERTIFICATIONS & MEMBERSHIPS

## Global Organic Textile Standard – GOTS

GOTS ensures that everyone in our supply chain, from farmer to factory, honours organic practices. Also auditing for both social & environmental standards, GOTS gives full confidence in where our garments come from.

## Organic Content Standard – OCS

Labelling a garment OCS 100 shows that it's 100% organic cotton. OCS Blended means that whilst there are other fibres like rPET in the fabric, the cotton used is certified organic.

## OEKO-TEX®

OEKO-TEX 100 certification guarantees that there are no harmful substances hiding in our garments. We hold Product class 1, tested as safe for babies.

## Recycled Content Standard – RCS

RCS verifies that all recycled content is the real deal, only coming from legitimate sources.

## canopy Canopy

We don't use much viscose, but when we do, Canopy helps assure us that it's sourced from responsibly managed forests, not endangered woodland.

## PETA Approved Vegan

PETA approved status means that there are no animal products used at any point in the manufacturing of our clothes.

## The Love Stock Pledge

We have pledged never to destroy unwanted stock. All useable returned or surplus stock will be donated, re-sold or recirculated.

## Science Based Target Initiative

The SBTi is a partnership between multiple vital organisations including the WWF and the UN. It seeks to drive ambitious climate action in the private sector. We have committed to reducing our scope 1 and 2 emissions by 50% by 2030. We're thrilled this target has been approved and validated by the SBTi.

## Textile Exchange

We have been members of Textile Exchange for over 15 years. Promoting sustainable and ethical manufacturing processes, TE also brings the industry together setting benchmarks & standards for everyone to work towards.

**Certified B Corporation**

Corporation

To be certified B Corp is something we're particularly proud of. Legally committed to bringing benefit to all business stakeholders — workers, customers, communities, and the environment, B Corps put their money where their mouth is by embedding this obligation in the legal framework of their businesses.

Joining this community of likeminded companies dedicated to driving change through business, solidifies over 20 years of work and lays the foundation for continuing that vocation - our promise to produce high quality clothing that takes care of people and planet.

**B = benefit for all, bloomin' brilliant!**
