

Since 2018, miners mate has been enhancing the textile industry with its twenty plus modern styles of outstanding quality and durability. The brand is based in the Ruhr region, and its designs are aimed at all those with an interest in combinable fashion styles. The consistent colour schemes of many miners mate items ensures a coordinated look for mates, teams or groups and for any event, occasion or special moment!

All miners mate items have a removable brand label and a neutral, laterally offset size label, for easy customisation and relabelling.

To follow the success of its first collection, **my mate** has now expanded its range for 2022 with the addition of the new **my pure mate** collection, which combines casual looks with sustainability.
