Since 2018, miners mate has been enhancing the textile industry with its twenty plus modern styles of outstanding quality and durability. The brand is based in the Ruhr region, and its designs are aimed at all those with an interest in combinable fashion styles. The consistent colour schemes of many miners mate items ensures a coordinated look for mates, teams or groups and for any event, occasion or special moment!

All miners mate items have a removable brand label and a neutral, laterally offset size label, for easy customisation and relabelling.

The my mate collection offers a varied range of **casual, modern styles**. Along with weatherproof jackets and trendy sweatpants, the first collection from this youthful brand comprises above all a selection of outer wear garments, such as unisex long sleeve tops, T-shirts, tank tops, sweatshirts and hoodies for him and her, in up to eight colours. Many of these items are consistently available in the colours burgundy, navy blue, olive, solid grey, black, and heather grey. They are ideal for combining, for both women and men, not least thanks to the size range of XS - 3XL. In addition, the collection features a modern **two-tone-look** as well as heather colour accentuations. The modern cuts give these items their miners mate look.

Choose consistent looks for mates and teams and enable individual styles!

*A naturally strong accompaniment*

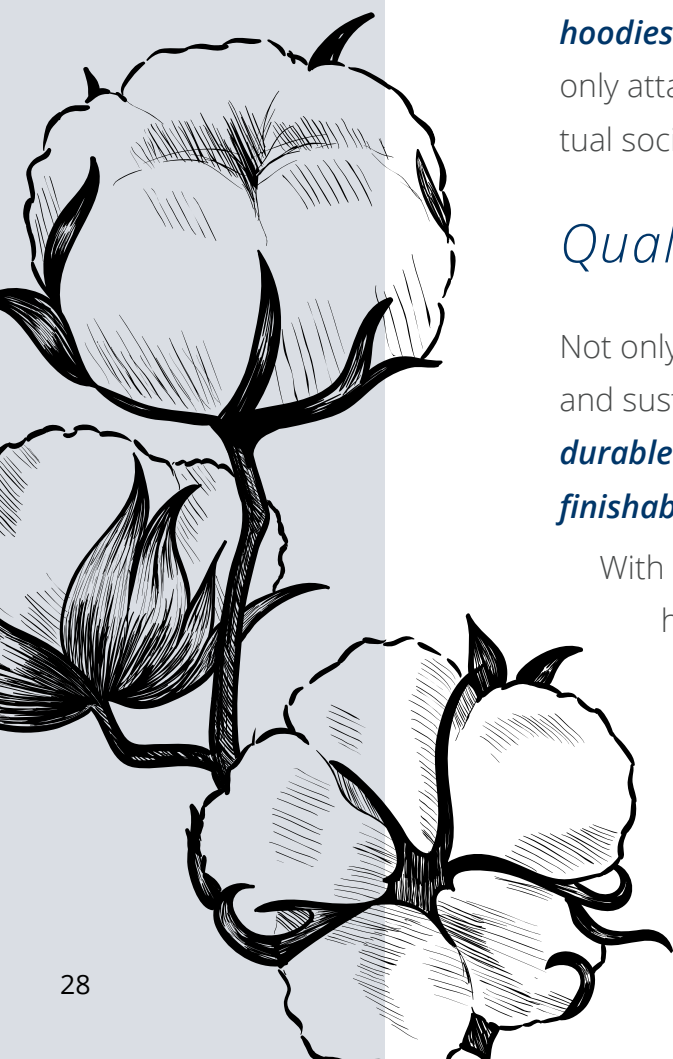

A collection that clearly demonstrates how casual looks can be created with all due attention to sustainability and fairness. All my pure mate items are made from **100% Fairtrade-certified organic cotton**, and in the case of the hoody, also include a proportion of recycled polyester. This supports better working and living conditions for the cotton producers and also promotes environmental protection.

With their simple design and unisex fit, these **T-Shirts** and **hoodies** are a perfect accompaniment for people who not only attach importance to fashion but also care about mutual social responsibility.

## *Quality and combinability*

Not only does the material composition contribute to fair and sustainable production but it also ensures **durable quality, high wearer comfort, and optimum finishability**, thanks to its smooth cotton surface.

With its five consistent colours, the T-shirts and hoodies in this collection lend themselves ideally to combining. The unisex T-shirt is additionally available in the natural colours: soft olive, mustard and soft blue.
