

# FROM COTTON TO GARMENT

All Neutral® products are 100% certified throughout our entire value chain and made according to the strictest ethical and environmental standards in the world!

## Biological fertilisers instead of chemicals

This means cleaner rivers and groundwater, enriched biodiversity and toxic free handpicking for farmers.

## Production powered by renewable energy

Neutral® contributes to a cleaner environment and fights climate change. The energy in surplus from production is led to the local community.

## Fairtrade isn't charity. It's the right way to trade

Farmers growing Neutral® cotton receive a fair price for their crops. We believe that good partnerships begin with being fair.

## Factory workers are hardworking people

So, it goes without saying that it's fair they have good, safe working conditions. By using SA8000, we know this is the case.

## Treating, reducing and recycling wastewater

We use the most environmentally friendly dyes and continuously innovate the way we make clothing according to the highest standards.

## 100% toxic free and ready to wear garment

Our finished products are screened for hazardous chemicals and other harmful substances to ensure they are safe to wear.
