

WE CARE

A COMMITMENT TO PREMIUM, RESPONSIBLE MATERIALS

Our dedication to producing high-quality garments goes hand-in-hand with ensuring strength and focus on responsibility in every piece.

With our new label free collection, we continue the TEE JAYS legacy of exceptional craftsmanship developed over decades. Each garment in this collection is crafted in our trusted, established factories, upholding rigorous standards of quality and care.

We carefully select top-grade raw materials and tailored compositions for each style, with a commitment to responsible sourcing across all fabrics. Our label free collection is designed to offer style, comfort, and enduring quality, all while supporting a responsible production journey.

COTTON STYLES

Crafted from long-fiber, ringspun, certified organic cotton for added durability and softness.

Certified by Control Union
CU 1038209

BLENDED STYLES

Made from a blend of long-fiber, ringspun, certified organic cotton and certified recycled polyester, ensuring strength and sustainability in every piece.
