

OUR COMMITMENTS

At TriDri, we prioritise top-notch performance while staying mindful of our planet.

We're excited to announce that we're incorporating sustainable materials to reduce our impact. Picture yourself in functional and stylish sportswear made from recycled polyester and nylon - materials that would have ended up as waste! But we're not stopping there. We're also sourcing organic cotton, which reduces the impact to the environment by using less water and no harmful chemicals. Not only that, but we are now 'Global Recycled Standard' and 'Recycled Content Standard' certified on our recycled products as well as 'Global Organic Textiles Standard' on our organic cotton products, meaning you can be confident that these styles are manufactured to the highest standards.
