

#together my pure mate

A collection with a focus on the essentials! With the combination of Fairtrade-certified organic cotton and recycled polyester, as well as the simple design, my pure mate offers all mates, teams and groups the opportunity to contribute to sustainable and fair coexistence without losing the casual miners mate style!

The collection includes a **Unisex Hoody (MY612)** and a **Unisex Tee (MY112)**. Both items convince with their durable quality and modern cut for both him and her. Thanks to the five continuous colours, the hoodies and T-shirts can be ideally combined. The unisex tee also comes in the natural shades Soft Olive, Mustard and Soft Blue.
