

# *pure*

Since 2018, miners mate has enriched the textile industry with over 20 trendy styles of outstanding quality and durability.

**miners mate** is made for all those who value fashion and combinability. The colour consistency of the miners mate items allows for a uniform, coordinated look for mates, teams and groups - for every occasion, every opportunity and every moment!

In 2022, the young brand from the Ruhr region expands its range with another collection called

## *my pure mate*

It proves that casually simple looks can be perfectly combined with **sustainability and fairness**. Learn more about my pure mate and its special features on the following pages!
