

#my_ ***supersize*** _mate

Our plus size collection starts where the size selection of conventional collections ends. With **12 carefully selected products**, we offer high-quality basics from **4XL to 15XL** – ideal for those who value comfort, quality and a perfect fit.

#my_supersize_mate focuses on the **best colors** and **classic tones**. This makes it possible **to combine conventional team clothing from other brands** with Articles from #my_supersize_mate and thus to uniformly equip entire teams of all body sizes.

The collection is **manufactured in Portugal** and impresses with **excellent material quality** and an optimal fit for particularly large sizes. We know how important it is that clothing not only fits but is also comfortable to wear – that's why we rely on **well-thought-out cuts, durable fabrics** and workmanship that meets the highest standards.

Whether for everyday use, leisure or professional use – with these **specially developed basics**, we offer the perfect solution for anyone who values comfortable and well-fitting fashion.

All #my_supersize_mate products are created for relabeling - design your own brand in all sizes.
